## Announcing: Annual Meeting of the ACCC

The Arts Consortium of Carver County invites all members to attend the Annual Meeting of the organization on Tuesday, March 11th, at 6 pm. The location of the meeting is currently being finalized and all members will receive separate notice of the meeting with complete details soon.

The meeting will include time to hear about organizational business, get reports from each committee, and give input to the work plan that is being developed for the year ahead. At this time you will get to meet our new President, David Maenke of Chanhassen, as well as other board officers, arts liaisons, volunteers, and committee members. We are grateful for our members throughout the county who serve as partners with us in this great work. Please plan to attend this important meeting on March 11th at 6 pm.

## News Worth Noting

There are several news items of note that we want to share with members. Please check your calendar or make a note of each:

- ArtStock artists, musicians, and vendors are currently being recruited and applications are being accepted for this year's event. ArtStock, the Arts Consortium of Carver County's Art and Wine

Festival, takes place July 12th at Parley Lake Winery in Waconia. Contact the ACCC to join us as a vendor.

- The ACCC gala that was previously announced for May 3rd has been postponed due to scheduling circumstances beyond our control. We look forward to announcing a new date soon.

- The ACCC website and county-wide arts calendar are currently in a period of reinvention. Watch for the rollout of a brand new site in the near future. In the meantime, visit [www.artsofcarvercounty.org](http://www.artsofcarvercounty.org), stop by our ACCC facebook page, or follow us on Twitter.

## Membership Matters...

Have you had the chance to renew your membership in the Arts Consortium of Carver County for 2014? It's not too late! We thank those who have renewed their membership and we welcome the new members to date. The work

for and through the arts in our communities is made possible, in part, by membership dollars. If you have not renewed for 2014, please consider your gift and level of membership today. There is still plenty of time to take advantage of the

wonderful partner-supported tangible member benefits all while knowing that you are making a great difference to the quality of life in your community.

Thank You!
